'The musical for people who love musicals'
Archbishop Stepinac presents Regional Premiere of
The Drowsy Chaperone

WHITE PLAINS, NY – Archbishop Stepinac High School Drama Club is thrilled to present the Regional Premiere of **"The Drowsy Chaperone"** as their musical for the spring season. The show marks the 98th production in the club's history.

Stepinac will be presenting the Regional Premiere of the hysterical Broadway smash hit that features such catchy songs, *"As We Stumble Along"* and *"Show Off"*. Archbishop Stepinac High School is ecstatic for all the students of the Drama Club who will have a once in-a-lifetime opportunity to be the first production of **The Drowsy Chaperone** in this area after the Broadway and national tour. This will also mark only the second nationally licensed production of the five-time Tony award winning show since the close of the tour.

A Tony winner for Bob Martin and Don McKellar's book and Lisa Lambert and Greg Morrison's score, **The Drowsy Chaperone** is a zany romp that parodies a lively 1920s score and a book filled with hilarious one-liners and classic musical comedy gags. The show centers on "Man in Chair" who invites the audience to listen to his favorite musical from that era entitled, **The Drowsy Chaperone**. As the audience listens to the record the show comes to life in the living room of "Man in Chair" and we are swept up by debonair actors and glamorous actresses.

A musical within a comedy, **'The Drowsy Chaperone** offers a sentimental, sweet, hilarious and sometimes surprising look at the impact that musical theatre can have on a person, and the pure, unbridled joy it can bring.' – mti.com

The Drowsy Chaperone will run for two weekends in the spring, April 23, 24, 30, May 1, 2 @ 7:30pm & May 2 @ 3pm. Tickets are \$15 and \$12 for senior citizens and children under 12. For reservations call (914) 946-4800.
